The Honorable Allen W. Dulles, Director  
Central Intelligence  
Main Post Office, Box 1513  
Washington 13, D. C.

Dear Mr. Dulles:

My family and I fly on July 1st, 1960 to Stuttgart and then drive to Istanbul where we plan to be at Robert College until the latter part of September. Some lectures are to be given in Scotland and England between September 21st-28th. The final lectures are at St. Bartholomew's Hospital in London on Tuesday, September 27th. Our plan is to fly back to New York on September 28th. If you are in Washington on Friday, September 30th, I wish to take advantage of your kind invitation and visit you. Mrs. Coburn, our two children and I plan to fly to Tobago on Saturday, October 1, 1960 to take up permanent residence in Tobago.

Sincerely,

Alvin F. Coburn, M.D.  
Associate Professor
